List of SIAT Courses

Foundation

- IAT 800-3 Foundations of Computational Art and Design (can be waived at the time of admission)

Research methods

- IAT 801-3 Qualitative Research Methods and Design
- IAT 802-3 Quantitative Research Methods and Design

Core courses

- IAT 810-3 New Media
- IAT 811-3 Computational Poetics
- IAT 812-3 Cognition, Learning and Collaboration
- IAT 813-3 Artificial Intelligence in Computational Art and Design
- IAT 814-3 Knowledge Visualization and Communication

MSc Elective Requirements

- IAT 834-3 Mixed Methods in Design Research
- IAT 840-3 Models of Networked Practice
- IAT 842-3 Theory and Design of Games
- IAT 844-3 Spatial Computing
- IAT 846-3 Interactive Systems for Design
- IAT 847-3 Metacreation: Endowing Machines with Creative Behaviors

Electives

- IAT 832-3 Exploring Interactivity
- IAT 833-3 Embodiment and Electronic Performance
- IAT 834-3 Mixed Methods in Design Research
- IAT 835-3 Sustainable Interaction Design
- IAT 842-3 Theory and Design of Games
- IAT 844-3 Spatial Computing
- IAT 846-3 Interactive Systems for Design
- IAT 847-3 Metacreation: Endowing Machines with Creative Behaviours
- IAT 881-3 – IAT 888-3 Special Topics I-VIII
- IAT 871-3 Directed Reading I
- IAT 872-3 Directed Reading II

Colloquium

- IAT 833-3 Research Colloquium

Designated research methods

- IAT 833-3 Embodiment and Electronic Performance
- IAT 834-3 Mixed Methods in Design Research
